MISSION

SistHER's mission is to strengthen the bond between women and sisterhood through mentoring. To empower, heal, guide, and to develop secure and strong women. We hope to influence women to cultivate self love to be better women, mothers, wives, friends, sisters, daughters, believers, businesswomen, and more. To remove the feeling of loneliness by providing a healthy SistHER connection. We hope to provide:

Hey SistHER!

Thanks so much for sending in your application. I am beyond excited that you've taken interest in this program. I plan to give you my heart and share lessons with you that I've received over the span of my life and career. I've made a commitment to carve time out of my schedule to share with my SistHERs. I'll have guests like my parents, grandparents, brother, and closest friends on board to make you feel like family.

There are only 86 slots available for the digital Sister-SistHer Package and 14 slots available for the Best Friend- SistHER Package. Because slots are assigned on a first-come-first-served basis, it's imperative that you secure your slot quickly as we have received an overwhelming response from interested sistHers! Don't procrastinate let's grow together and hold each other accountable as SistHERs should!

- *Kierra*
